FAMOUS COURSES OF THE WORLD

By Bruce & Roger Carver

Here's another opportunity to stroll the fairways of three of the most prestigious courses in the world and also face another Access "challenge course" with Famous Course Disk Volume #2. Courses include:

- **PEBBLE BEACH** — This course, designed in 1919, is acknowledged to be the finest seaside course in North America and very likely, the world. It is host every year on the AT&T Pebble Beach National Pro-Am, one of the most prestigious tournaments in golf.
- **MUIRFIELD** — This British Isles course is one of the oldest in the world, dating back to 1744. Muirfield has been the home of many British Opens and is a demanding test of control with it's narrow fairways and thick lush rough.
- **COLONIAL COUNTRY CLUB** — Best described by golf legend, Ben Hogan who said that Colonial is "proud, stern, brutally honest and unremittingly tough; pursuant of precision, intolerant of mediocracy, and when in top form, virtually unbeatable".

And after playing the famous courses, try a round at the **GLENMOOR COUNTRY CLUB**. this course was on the tour, even the "pros" would need a handicap!

Includes special **Punch Shot** feature for pitch and run shots and shooting under trees!
