FAMOUS COURSES OF THE WORLD

By Bruce & Roger Carver

Get ready for more golf excitement with Famous Course Disk Volume #1. Three "Famous" courses are featured along with a fourth course designed specifically for this program. Each hole authentically reproduces the distance, traps, trees, rough and water hazards of:

- **HARBOUR TOWN** — Nicknamed the "Pebble Beach of the East". This course is located at the Sea Pines Plantation in South Carolina and is considered to be one of the most beautiful and well designed courses on the PGA Tour.
- **SUNNINGDALE** — Located near London, England, Sunningdale is a challenge of subtlety. Its characteristics are best described by the phrase "A wolf in sheep's clothing".
- **DORADO BEACH** — This Puerto Rican Course is considered to be one of the worlds' most demanding.

Also included is the "World Class" course of **PINE RIDGE**, which was designed to be the most difficult and challenging course in this series.

Includes special **Punch Shot** feature for pitch and run shots and shooting under trees!
