WORLD GAMES™

Alright. So you've wiped out the Russians in Summer Games.® You've scored near perfect 10s in Summer Games II.™ And your performance in Winter Games™ now sends chills down competitor's yellow spines. Well, just

how far are you willing to go to prove you're the best? Does 24,000 miles sound reasonable?

Visit exotic places.

In World Games,™ you'll wing your way around the globe beating the pants off foreigners in eight international events, each one authentic to its country of origin. You'll see incredible, exotic locales as you travel the world circuit. Why, you'll even have your own on-screen tour guide to smooth your way.

The events the Olympics forgot.

To become the champion, you'll have to dive off the treacherous cliffs of Acapulco. Go stomach to stomach with a 400 pound Japanese sumo wrestler. Jump barrels in Germany. And pump heavy iron in Russia.

Next, it's off to Scotland for the caber toss. Canada, for the near impossible log roll. France, to ski the Slalom. And, at last, the U.S. of A., to ride the meanest, orneriest bull in the states.

This, then, is a challenge of global proportions. The question is, are you ready to go the distance?

- ▶ **Eight international events:** Cliff Diving, Sumo Wrestling, Bull Riding, Barrel Jumping, Log Rolling, Weight Lifting, Slalom Skiing, and, of course, the Caber Toss.
- ▶ **Visit eight nations to compete.** Includes a detailed history and travelogue for your reference.
- ▶ **Join the World Hall of Fame.** That is, if you acquire the gold.
- ▶ **One to eight players.**

▲ Soar like an eagle, and pull a gold medal out of thin air.

▲ A test of precision and control. It's all downhill from here.
