

THE SLUGGER

The Aim of the Game

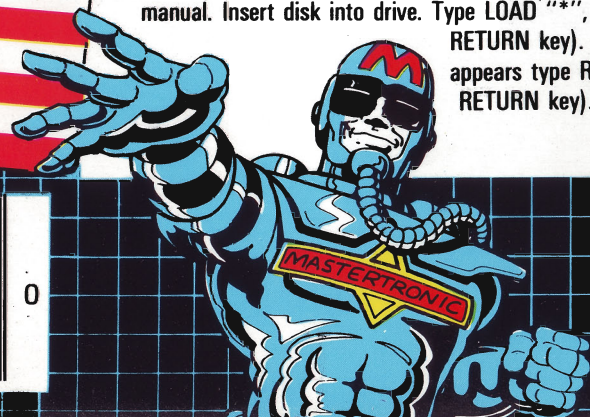

A superb sports simulation program with stunning 3-D graphics. A one or two player game that enables you to either compete head to head or against the computer.

Features include a self demo mode for instructions, a giant video screen for close-ups of the action in detail. Exciting to play with real baseball features, yet a detailed knowledge of the game is not essential: Steal Options, Curved balls, Pitchers Cheer leaders are all part of the incredible features that make this game an essential part of every collection.
