XENOPHOBE

EXTERMINATE THE ALIENS

Aliens are everywhere, and it's up to you to stop them!

The battleground of the future explodes to life on your personal computer with XENOPHOBE! Every screen erupts with action, danger and unlimited excitement: hostile aliens have infested derelict space stations and moonbases, attacking everything that crosses their path. Blast them into oblivion with a devastating arsenal of powerful hand weapons. Search through the infested buildings for more firepower to continue your mission. But be careful! These aliens aren't just mean, they're plentiful. And they never stop coming.

- Based on the arcade classic!
- Non-stop action for one or two players!
- Detailed graphics and sound effects increase the excitement.
- The ultimate arcade challenge for any computer gamer!
