Skimming at hyper speed in your star fighter zig-zagging down narrow passageways of the Matrix of Zog somewhere in the 12th dimension... The supreme star pilot is the one who can survive to locate the Eight Crystals of Zog. It is the ultimate test of your mental and physical agility as the enemy will send its best against you. Ramps, traps and disappearing barriers are a few obstacles awaiting you in ZIG ZAG. Shop zones are available at various spots and the smart pilot knows to purchase items necessary to survival and success. Items you may want are maps, shields to make you invincible, extra lives, and infra red and x-ray vision. ZIG ZAG is arcade action at its best.

Features Include:

- 1400 screens
- Shields
- Extra lives
- Maps
- X-ray vision
