ZOOM!™

OUT OF THIS WORLD ARCADE ACTION!

Amiga™ Version

C64® Version

IBM™ Version

ZOOM! through space on a luminized grid. Hug the corners. Shoot the straight-aways. Go for all your worth! Capture the squares on one level and race to the next, racking up major points in your favor and the experience you will need to succeed. All the while, chase down magic powers that give you bursts of energy and other added strengths. Each level is different; each requires a new strategy and a new approach.

Game play is so fast and furious, you won't have time to lose your nerve - especially when the dreaded Angleheads, Wormletts, Spheroids and other dangerous enemies are hot on your trail! And don't forget about the Black Holes!

ZOOM! features include:

- Breathtaking graphics and incredible sound
- 50 different, action-packed levels
- One player or simultaneous two player competition mode

Enjoy endless hours of non-stop, fast-paced, arcade action entertainment. When it comes right down to it...
