st + ill = still

She is still.

st + ill = still

Is she still?

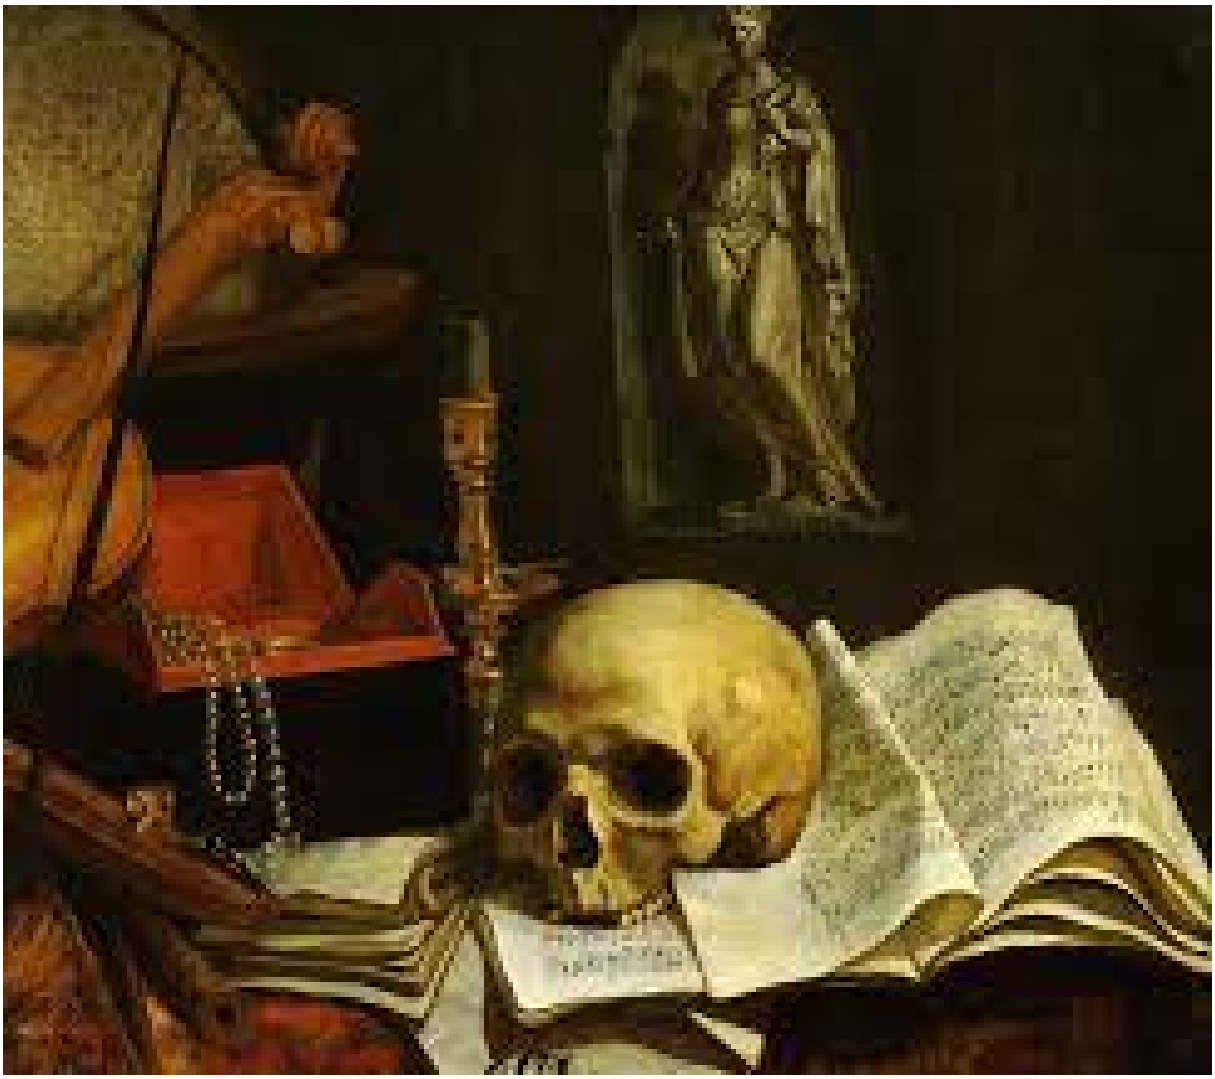
st + ill = still

Would you please stand still?

st + ill = still

I still live in the same house.

st + ill = still

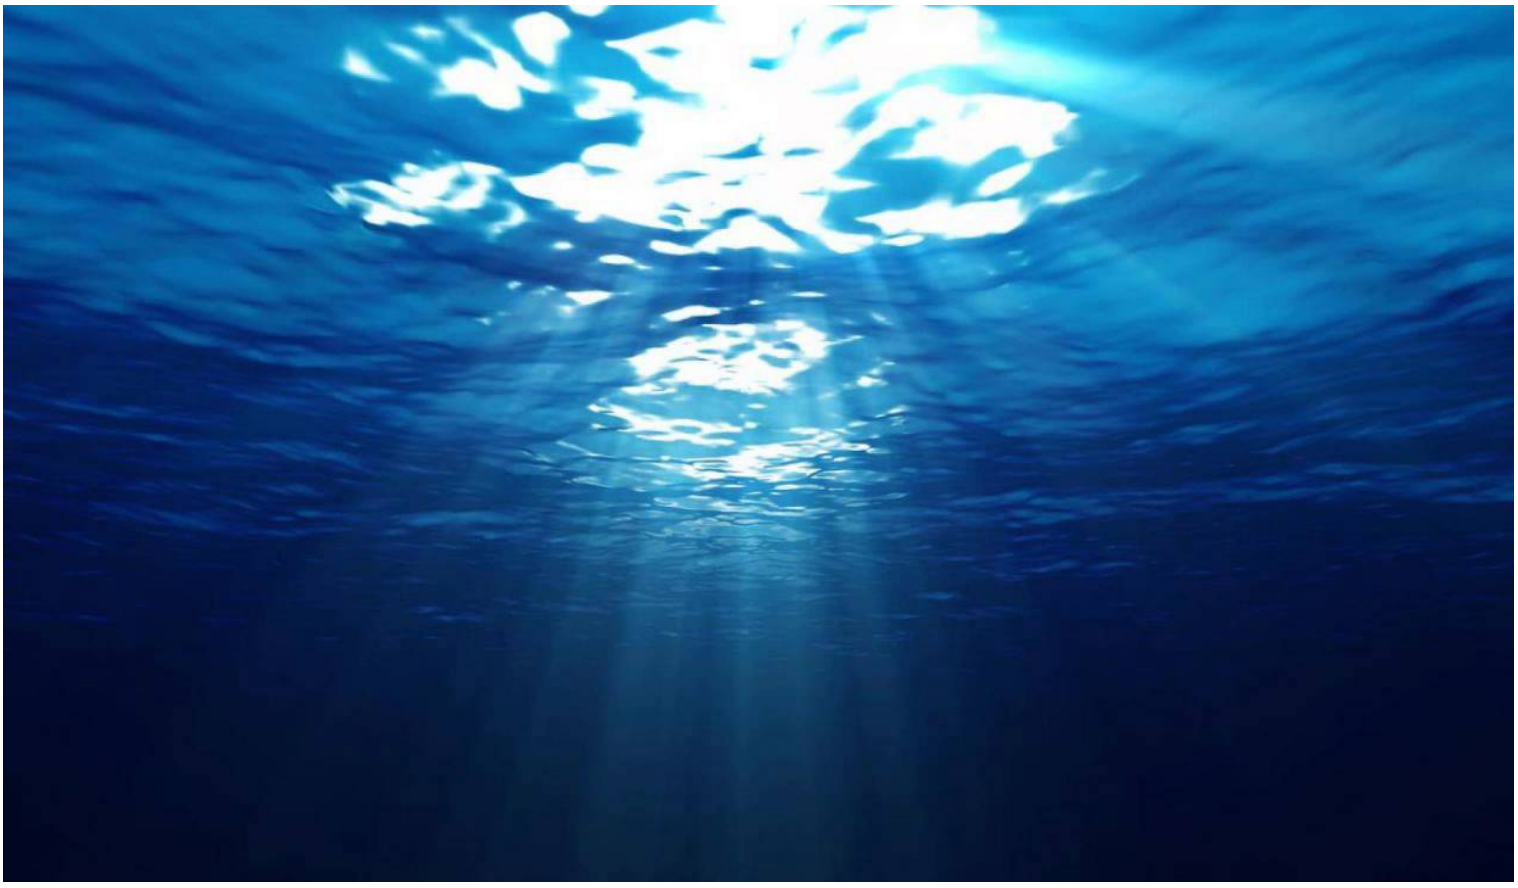


This is a still-life painting.

st + ill = still

The street is still (not busy).

st + ill = still



Still waters run deep

(quiet people may have strong feelings or interesting ideas).

st + ill = still

Will he be any good?

The jury is still out

(undetermined).

st + ill = still

The Vikings wasted a first-round pick. Blaine Gabbert still has more career yards than me!
