

t + op = top

**My keys
are in the
top drawer.**

t + op = top

**Can you
top this
(do better)?**

t + op = top

**All right, let's
take it from the top
*(beginning).***

t + op = top

**What caused him
to *blow his top*
(*become angry quickly*)?**

t + op = top

***He's sitting on
top of the world
(extremely happy).***

t + op = top

**The birthday
party was
over the top (excessive).**

t + op = top

**One must exercise
to be in
tip-top shape
(*strong and healthy*).**

t + op = top

I *paid top dollar*
(highest price)

this for record.

t + op = top

She screamed *at the top of her lungs* (as loudly as possible).

t + op = top

**He has *top-secret*
information
(*very secretive*).**

t + op = top

Talent will
rise to the top
(move upward).

t + op = top

Who will *come out on top* (*win*)?

t + op = top

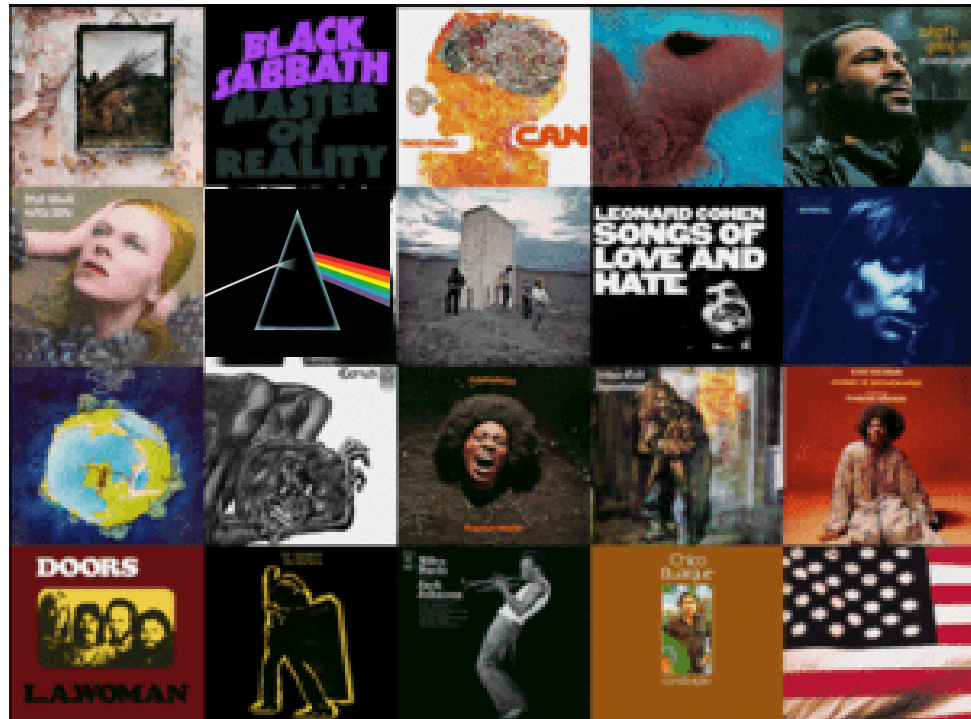

***Pretty please
with sugar on top
(exaggeration)?***

t + op = top

***Pretty please with
a cherry on top
(exaggeration)?***

t + op = top

**Pictured are
20 albums...
are any in your
top-ten list?**
