

#24 ot

It was a adjective #1 noun #1.

A noun #2 in a noun #3 needed water.

I sneezed lots of snot.

Big dots of snot were all over the noun #2.

The noun #2 started to verb #1.

I should have not done that.

I got another noun #2.

I sat on a noun #4. I jotted this down,

“Do not use snot to water a noun #2.”
