

#11 en

Noun/man's name #1 had adjective/number #1 men helping him.

adjective/number #2 men were named Ken. They protected noun/plural #2 from a noun #3.

The noun #3 came out of its noun/place #4.

With its mouth wide open,

the noun #3 yelled,

“Excuse me, Noun/man's name #1, may I use your adjective #3 noun #5?”

adjective/number #1 men gave the noun #3 a noun #6. The noun #3 was an artist.

The noun #3 did not want to eat the noun/plural #2.
