

v + ent = vent

**A vent
helps cool
the house.**

v + ent = vent

**The vents are
on the roof.**

v + ent = vent

**A vent can be
on a side
of a house.**

v + ent = vent

**This is a
floor vent.**

v + ent = vent

**The vent
is open?**

v + ent = vent

**To vent is to
release anger.**

v + ent = vent

**Now it is
my turn
to vent.**

v + ent = vent

**How do
you vent?**
