

Name That Part of Speech

noun **pronoun** **verb** **adjective**

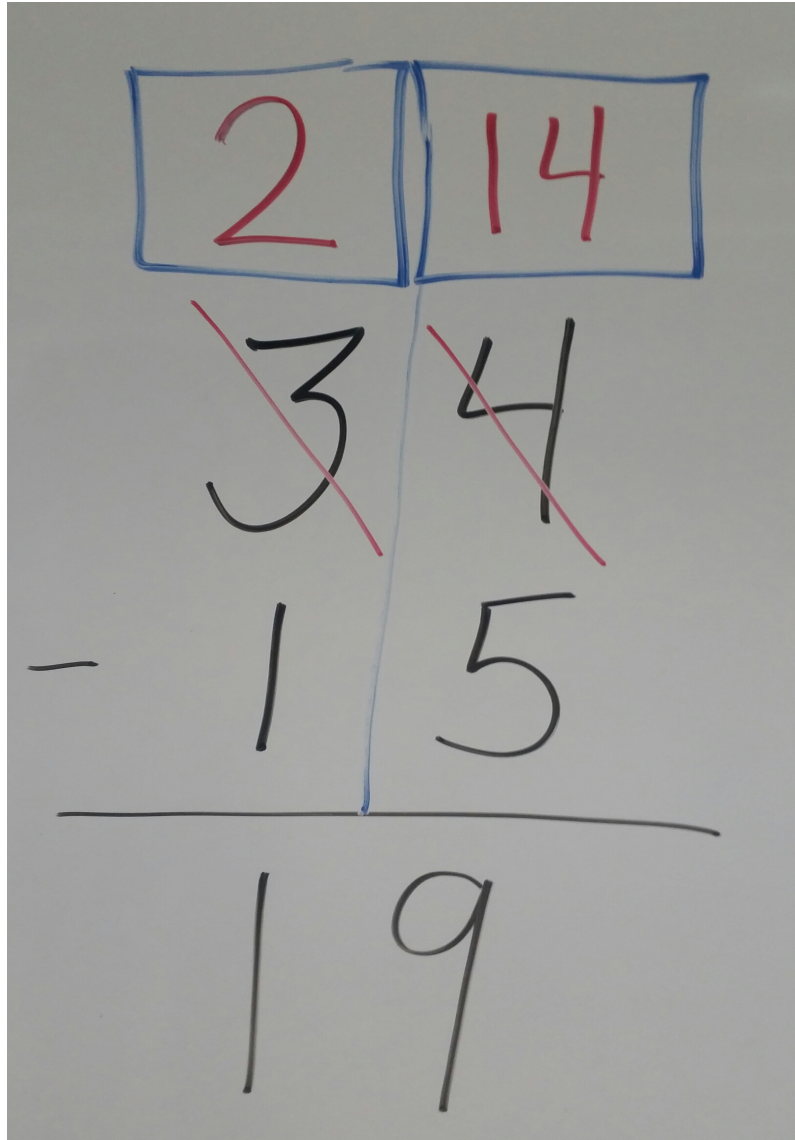

A handwritten math problem on a piece of paper. It shows a vertical addition of two numbers, 23 and 14, to get 37. The numbers are written in a column with a vertical line separating the tens and ones places. The tens place contains '2' and '1', and the ones place contains '3' and '4'. A horizontal line is drawn below the ones place. The sum '37' is written below the horizontal line. The numbers '23' and '14' are written in black ink. The numbers '3' and '4' are crossed out with red diagonal lines. The numbers '2' and '1' are written in red ink. The numbers '1' and '4' are written in black ink. The numbers '3' and '7' are written in black ink.
