"A Spotless Room?"

The cleaning inspector specified, "Not one spot of dirt should be in the room, or we will have a dispute!"

I spent the next hour sponging every spot.

Despite my hard work, not everything sparkled. The inspector gave me a speech about germs. I was surprised when he told me, "Good job."

"A Spotless Room?"

1) After cleaning, did everything sparkle?

2) What do they mean by "dispute"?

3) How many minutes are in an hour?

4) What was the inspector's speech about?

5) Please underline all the nouns once, the verbs twice and circle every adjective.
