

Noun/person (female) #1 thinks she is the best.

Most of the time
she acts like a Noun #2.

She will even stay up past her bedtime.

When Noun/person (female) #1 Verb #1
up steps, she says random stuff.

She said, "I must verb #2 you about
my past. I invented the foot stomp."

Noun/person (female) #1 is adjective #1,

but I love her!
