### **"A Truck Full of Hockey Pucks"**

Chuck drove a truck. His job was to deliver hockey pucks. He earned 1,000 bucks for every truckload.

On his way to Canada, a duck was stuck in the muck. Luckily, Chuck slammed on the brakes. He almost struck the duck.

Chuck invited the duck in his truck as it was heading north. He instructed it to buckle up, or he will pluck a feather. The duck chuckled.

Arriving in Canada, he gave the pucks to the Vancouver Canucks, and then the duck waved goodbye.
