Advanced "The Star from Zanzibar"

The most popular star from Zanzibar
got out of his solar car. His pet cougar
smoked a cigar while he ate caviar.

The muscular man shouted,
"Are you ready to hear my sitar?"
The audience was unfamiliar with a
sitar. It looked bizarre.

The star from Zanzibar revealed a
sitar is similar to a guitar. When he
played, the crowd let out a roar
(*applaud*). His smile was so big. People
from far away could see his molars.
