## "Victor Is an Actor"

My friend, Victor, is a colorful (*exciting*) actor. He could play the role of a mayor, a sailor or an emperor.

I whispered, "What job did you do prior to being an actor?" Victor answered, "I sold refrigerators door to door. That is why I am so poor!"  
I like his sense of humor.

I asked Victor, "Do me a favor. Look at yourself in the mirror, then turn into an alligator." Victor smiled with 80 teeth and crawled away.

*What kind of person is Victor?*
