"Act Like a Goon"

One night in June, I left a commune
(*people who live together and share almost everything*) to walk beneath the moon.
I went to play my bassoon by a lagoon.
I was soon joined by a raccoon and a baboon.
They were singing out of tune.
I wanted to swoon. I yelled, "Go running back to Saskatoon or Cameroon."

I acted like a goon when I took a spoon and flicked macaroons at the baboon and raccoon. They were immune (*safe from something*) to my insults.

I rather be marooned in a monsoon than to hear them croon.

See my file on how to use the pronoun I less.
