Grammar

动词 to do 的肯定句形式

I	}	work at a factory.
You		
We		
They		
He	}	works at a factory.
She		

主语是第三人称单数时，动词 to do (行为动词) 要加 -s 或 -es:

a. 一般的动词加 -s，例如：

She works at a tractor factory.

He defends our motherland day and night.

b. 以 ch, sh, o 等结尾的动词加 -es，例如：

Chairman Mao teaches [ˈti:tʃɪz] (教导) us
to “forget class struggle.”

He wishes Chairman Mao a long, long life.

He goes to school every day.

毛主席语录

四个第一好，这是个创造。

Lesson Ten (10)

My Father and Mother Are Workers

My father and mother are workers. They go to work every day. My father works at a tractor factory. My mother does not work at a tractor factory. She works at a farm tool factory. They study Chairman Mao's works hard. They work hard for the revolution. They serve the people heart and soul. They are "five-good" workers.

My sister and I are pupils. We go to school every day. My sister studies in a primary school. I do not study in a primary school. I study in middle school. We study for the revolution. We **study hard and make progress every day**. We are "five-good" pupils.
