"I Admire Good Advice"

My friend Brad gave me advice, "Go see the Dada art show." I admit, I was a tad skeptical. I bought a ticket on my iPad (*computer*).

I thought some artwork was bad, but I did admire the paintings. I was glad Brad advised me to see abstract (*doesn't represent reality*) artwork. I had a good time.

#1 ad comprehension "I Admire Good Advice"

1) What did Brad advise him to see?

2) At the end, was he happy or mad about the advice?

3) Where did he buy his ticket?

4) Tell me about a time you gave a friend advice?

5) Please underline all the nouns once, the verbs twice and circle every adjective.
