"She Blabs Too Much"

I have a fabulous friend named Abby. She is never drab. The only thing I don't like about her is the way she gabs.

When she blabs, I want to grab my coat and leave.

Write about a time when you talked too much.

#7 ab Advanced "She Blabs Too Much"

1) What do they mean by fabulous?

2) Who gabs and blabs too much?

3) What emotion do you think is drab (fear, anger, sadness, surprise or happiness)?

4) What item does the person grab before they leave? _____

5) Please underline all the nouns once, the verbs twice and circle every adjective.
