

#17 in Advanced "Use a Napkin"

My cousins (Kevin, Colin, Robin and her twin, Lynn) went to a muffin eating contest in Brooklyn (New York). Crumbs were falling from their chins down by their shins. I gave them napkins.

Robin was thin, but she finished first in the competition. She celebrated the win by eating a pumpkin pie.

*Write about your favorite muffin?
Blueberry, chocolate chip, banana...*

#17 in Advanced "Use a Napkin"

1) How many cousins are in the story?

2) What kind of contest was it?

3) Where was the contest being held?

4) Who won the competition?

5) Please underline all the nouns once, the verbs twice and circle every adjective.
