"Do Not Skip School"

A young boy from Istanbul (*a city in the country Turkey*) decided to skip school. His sister snapped, "You will regret it! You are so uncool." "Nonsense," the boy replied, "I'll swim all day in our pool."

The father came home early and saw his son in the pool. He took off his watch and jewels (*a valuable stone*). The boy was scared as he did not follow the rules.

The boy apologized, "I am sorry for acting like a fool." The father forgave him and they lived happily ever after.
