"Everyone Lashed Out!"

A man with a mustache
(or moustache, hair above one's lip)
boasted, "I can run the 40-
yard dash in a flash. Watch
me smash the record!"

The backlash was great.
Everyone knew he was
irrational *(thinking is not clear)*.
A voiced lashed out,
"Balderdash, you're talking
trash. I will bet you \$100.00
cash!" The man with a
mustache walked away.
