

#148 each

peach- a roundish fruit with a pit inside that contains small amounts of cyanide.

That is not a joke, but this is, "I told my friend a joke about peaches. She told me it was *pitiful*."

preach- to give (moral) advice in a sermon or an overbearing manner.

reach- extend your arm to grab something.

bleach- a chemical, liquid or powder used to clean something.

beach- land covered with sand next to a body of water.

teacher- a person who teaches *how to think* instead of *what to think*.

breach- breaking a rule or contract.

leach- substances (chemicals) dissolve when mixed with liquids and increases the risk of health problems. In other words, *don't use plastic in the microwave*.
