## "Set Up a Trade?"

The athlete went on a tirade.

He yelled, "I played my final game!"

The owner claimed, "We did everything possible, other than have a singer serenade you.

We upgraded your plane tickets.

I bought you a new suede (*a type of leather*) jacket. You were displayed in the first car in a parade. We even gave you a maid. There is nothing more we can do. Maybe we should set up a trade?"

The next day, a deal was made.
