

#75 ai

bait- an object (food) on a hook or in a trap to catch something (fish).

wait- stay in a place or delay an action. (This word can be used *without* an object, unlike await.)

await- (formal) to stay in a place or to delay an action. "We must await *her* presence." *Her* is the object.

gait- a particular way of walking.

Kuwait- a country in Western Asia.

aim- point at a specific direction.

claim- say something is true without the facts. ~~~~~~~~~

paint- a thick liquid with pigment for decoration or protection.

waist- area of one's body under the chest. For some, poor eating habits and lack of exercise make a person's waist more obvious than the red storm on Jupiter.

raise- lift to a higher position.

mailman- a person who collects and distributes mail (letters and packages).

container- an empty object used to hold something.

daisy- a yellow and white flower

The word "portrait" does not fit this pattern.
