

#98 **ole** Advanced

"A Mole Takes a Stroll"

A mole took a stroll in a hole.
While carrying a bowl of rolls,
it met a troll.

The mole asked, "What is your
role?" The troll told the mole,
"I scroll through the Internet
and upset people. That is my
goal." The mole shouted,
"You are pathetic *(really sad)*!
Go eat a lump of coal!"

#98 Mole Advanced
