"101 Bloated Goats"

Joan was on a boat loaded with 101 bloated goats. She wondered, "How do we stay afloat?" The boat might be supported by a giant toad wearing a coat? Perhaps a million pieces of toast is making them float!

Joan took a pen out of her coat, wrote a note and put it in a bottle.

One day someone will devote (*give time to something*) a few minutes to read what she put in quotes.

What do you think is written on the note?
