## "The Showdown:

### **Judo Joe vs a Sumo Wrestler"**

*rhymes with snow = red crayon      rhymes with cow = blue crayon*

I looked out my narrow window. A crowd gathering  
below started to grow. There will be a showdown!  
A jumbo sumo wrestler versus a powerful man  
named Judo Joe from Glasgow.

Standing brow to brow, they looked eye to eye.  
I was ready to record this with my video camera.  
Who will throw the first blow with a fist or an elbow?

Casting a giant shadow, the sumo wrestler began  
eating Cheerios (*cereal*) and sat on a pillow.  
He announced, "Hello, allow me to play a slow song  
on my cello (*instrument*)."

Afterwards, Judo Joe yelled, "I know what you want  
to hear, an up-tempo (*fast*) solo on my bongos  
(*small drums*)!" The crowd danced the tango.  
Judo Joe was a professional bongo player.

Judo Joe from Glasgow was the winner and  
awarded flowers. He took a bow.
