

## #103 ue /oō/

**blue**- between green and violet, usually the color of the sky.

**clue**- information that might help solve a mystery.

**due**- when something (a library book) should be at a location.

**true**- not false.

## /yōō/

**tissue**- a soft paper (cleans a nose after sneezing).

**issue**- a problem for discussing or debating.

**argue**- opposing views exchange thoughts, sometimes raising their voices.

**value**- something important (friendship) or its worth in money. Also, (in art) a range between light (white) and dark (black).

**statue**- a work of art one can walk around.

**rescue**- save from a troublesome situation.

**venue**- a location (building) with an organized event.

**miscue**- mistake.

*Words ending with "que" or "gue" usually do not make the above sounds.*
