

# "Don't Be Rude"

Sight Word #117 rude

If you are **rude**,  
I will press mute.

Wait, you are not a TV!

Well, I can put fruit,  
pizza or a suit  
in\* your mouth,  
so I do not  
have to hear  
one more **rude** word.

I am not in any mood  
for you to be **rude**.

*\* Inside is technically correct.*
