

"I Don't Like War or Warts" Sight Word #122 wart

What do you get
when you add the letter **T** to **war**?

You get the word **wart**.

A *wart* (a growth on the skin)
is caused by a *virus* (germ-like that makes you sick).

A *wart* is *contagious* (can spread)
but harmless.

What do you get
when you replace the letter **T** in *wart*
with the letter **M**.

You get the word warm.
