

# "What's the Word?"

Sight Word #158 word

My dad said,  
"I want to have a **word**  
with you."

Oh no, a **word** with me?

My dad sat me down  
and said,  
"When you give your *word*,  
you are giving  
a promise.  
You must never be a liar."

I gave him my *word*;  
I will be honest.
