

Two Games

Once children know the names of the fruits and vegetables, put two into the Mystery Box or a bag.

Children take turns guessing the two fruits and using the word AND in a complete sentence.

Make sure they use A & AN correctly.

"I feel an _____ and a _____."

and

Have the children play Simon Says using the word AND with two body parts.

"Simon says touch your nose AND ear."

For little kids, have them stand to the side and play after eliminated.

Once two kids remain, bring one child back into the game. This will make classroom management strong. Eliminate the slowest person if the game takes too long.
