

# Any, Many or a Few? (sight words 41, 42, 43 & 44)

Man: Do you want **any** chocolates?

Woman: Yes, I want **many** chocolates!

Man: You can have a **few**.

Woman: I **will** have one Hershey's bar.

Man: I said you can have a **few**.

Woman: OK, I **will** have two Snickers.  
Hey, do you want **any**?

Man: Yes, I **will** also have **many**!

Woman: How **many** do you want?

Man: I **will** have three or four KitKats.

Woman: How **many** did you say...three plus four? That is more than a **few**.

Man: My belly ached the last time I ate too **many**.

Woman: You should only eat a **few**.

Man: You are right, but we are talking about chocolates!
