

whatever or *what ever*

*What ever became of
the time when children
listened to their
parents.*

Whatever!

Write *whatever* or *what ever*
on your whiteboard.

whatever or
what ever

**The next page is
complicated!**

Whatever as relative pronoun means anything or no matter what ...

Order whatever (anything) you want.

Whatever (No matter what) you do, don't order the...

Whatever as an adverb means in any case.

There is no evidence whatever (in any case) that the moon is really cheese.

Whatever as an adjective means for any kind.

This hat is good for whatever (for any kind of) temperature.

Whatever as a conjunction means regardless.

We must remain Vikings' fans whatever (regardless) may happen.

What ever as a pronoun and adverb means to emphasize a question.

What ever became of our childhood friends?

Notice how **ever** could be eliminated and still be grammatically correct.

**The next page is
easy!**

If **ever** as an intensifier could be eliminated, then *what ever* is a **possibility**.

What ever happened to the teacher who did not finish the file?

What happened to the teacher who did not finish the file?

The same is true for *when ever*.

When ever Robert finishes this file, people still won't care.

When Robert finishes this file, people still won't care.
