

"Only Both" #075 & #076 only & both

A man said,
"**Both** of you can not be right.
Only one can be right."

A girl said, "I will be right back."

She left.

The boy said,
"I am not the **only** person here,
but I am right."

The man said, "Yes, you are right."

The girl returned and said,
"No, you are *both* wrong."

The boy replied, "How is that?"

The girl said,
"Seven is **only** an odd number, not even."

Both the man and the boy said, "Oops!"
