

# prove

A close-up photograph of a hand holding a black marker, writing the question "Can you prove it?" in a cursive script on a light-colored surface, likely a whiteboard. The hand is positioned on the right side of the frame, with the marker tip touching the surface. The text is written in two lines: "Can you" on the top line and "prove it" on the bottom line. The question mark is large and prominent at the end of the first line.
