rest & work

**Sometimes you need
to rest at work.**

A photograph of two men at a construction site. The man on the left is older, with grey hair, wearing a white hard hat and a high-visibility yellow safety vest over a dark striped shirt. The man on the right is younger, wearing glasses, a white hard hat, and an orange safety vest over a dark jacket. They are both looking down at a large sheet of white paper, likely blueprints, which the older man is holding. The background shows a blurred construction site with scaffolding and building structures.
