

# "People Are Nouns" Sight Word #164 people

How many **people**  
can you call friends?

Some **people** are poor,  
and other *people* are rich,  
but they both  
can be your friends.

Honest *people*  
are my friends;  
lying **people**  
are not my friends.

I can call many **people**  
my friends!
