

"At a Pier" Sight Word #252 pier

We went to a **pier**.

What did we see at the **pier**?

We saw a man named Pierre
on a deer
holding a cake with many tiers.

We do not know how many tiers
because he dropped it on the *pier*!

What else did we see at the *pier*?

We saw a man with many ears!

Clear your throat and cheer
because this story about a *pier*
is finished!
