

"You Can Assist Me" Sight Word #283 assist

Man: Who can **assist** me?

Woman: How can I **assist** you?

Man: I would like for you to *assist* me with a heavy box.

Woman: Whoa, this box is too heavy! What is inside?

Man: Chocolates...to make it lighter, can you *assist* me and eat some?

Woman: I can **assist** you, and the box will be so light!

Man: I will call you my assistant.

Woman: I am always happy to **assist**.
