

# "Visit a Cemetery"

Sight Word #304 cemetery

Man: Let's go to the **cemetery**,  
and I will prove that ghosts are not real.

Woman: Oh no, a **cemetery** scares me!

Man: At midnight, we can visit a *cemetery*,  
and you will not see any ghost; I promise.

Woman: Oh no, a *cemetery* scares me!

Man: Even if we go somewhere other than  
a *cemetery*, such as a morgue,  
we will not see one ghost.

Woman: Of course, we will not see ghosts.  
They are invisible!
