

# "I Am a Connoisseur"

Sight Word #315 connoisseur

Becoming a **connoisseur** is easy.

Simply tell people you are really good at something that you like.

For example,  
I am a *connoisseur* of sweet treats.

If someone were to give me rock candy, yuck, I would complain.

No, that is not good enough for me!

I am a **connoisseur**.

I appreciate chocolates.

Are you a **connoisseur** of anything, like video games...talk with your classmates.
