

List of Prepositions

There are over 100 prepositions. Below is a partial list.
Underlined words in the chart are (almost) always prepositions.

about	above	across	after	<u>against</u>	along	<u>among</u>
around	as	<u>at</u>	but	before	behind	below
beneath	between	beyond	<u>concerning</u>	<u>despite</u>	<u>during</u>	except
<u>from</u>	for	following	in	inside	<u>into</u>	like
next to	near	on	onto	opposite	out	outside
over	past	plus	regarding	since	than	through
<u>towards</u>	under	unlike	<u>until</u>	underneath	up	<u>upon</u>
<u>with</u>	within	without	... <u>including</u> many more.			

How the word is used dictates the part of speech.

"A man fell down the stairs." Preposition

"He put his laptop down." Adverb

Therefore, some of the above words can be a different part of speech.
