

# Prepositions of Time

## in

in the morning  
in the afternoon  
in the evening  
in January (months)  
in the spring (seasons)  
in 2019 (years)  
in the 1970s (decades)

## on

on Saturday morning  
on Sunday afternoon  
on Monday evening  
on January 1  
on *holiday*\*  
on the weekend  
on the phone

## at

Technology isn't  
exactly a  
preposition of time.

at 7:15 pm  
at sunrise  
at night  
at midnight

\* *English has exceptions to rules. Sometimes you can say at Christmas...*
