

Abstract Nouns part 2

Circle the abstract nouns.

I always had guidance since my childhood. I learned many things, such as love, humor, courage, generosity, honesty, friendship, acceptance, kindness and forgiveness.

Those knowledgeable people who influenced me have far above average intelligence. I was taught to question everything. Censorship is a form of punishment. Don't let anything interfere with your freedom. In addition, racism is another word for hatred. Also, for every problem, there is a solution.

Wisdom and experience has made me a better man. When there is a disagreement, let's talk it over and come to an agreement.
