

Written evidence for the Flood

The Bible records that both **Adam** 4000 BC and **Noah** 2350 BC lived with dinosaurs. These survived in the ark and history records such creatures.

Job living around 2000 BC said of the wicked, *“Who were cut down before their time, Whose foundations were swept away by a flood”* Job 22:16.

King David wrote in 1000 BC, now recorded in the Bible, *“The LORD sat enthroned at the Flood”* Psalm 29:10.

Was the Ark big enough? Research shows it was. Copies of the Ark have been built. Was there sufficient water? The great rains came from the pre-Flood water vapour mist that the Bible says then watered the earth.

Preparing for the future

To prepare us for the day when we all must face our Creator God, the Lord Jesus Christ came into this world, born in Bethlehem to a virgin, for He is *“God manifest in flesh”*, and the sinless Man and the Son of God. He allowed sinful men to falsely accuse Him, scourge and abuse Him.

They took Him outside Jerusalem and nailed His hands and feet to a cross.

The Bible gives the reason why: *“For Christ also suffered once for sins, the just for the unjust, that He might bring us to God”*. 1 Peter 3:18.

The great Flood was God’s judgement on a wicked godless world, and His judgement will again fall. All who confess and forsake their sin and trust in Jesus are forgiven and assured of a home in heaven. Jesus said this:

“For God so loved the world that He gave His only begotten Son, that whoever believes in Him should not perish but have everlasting life” John 3:16. There is now no judgement to come for all who put their trust in Him.

God loves you and Christ died for you. Your greatest need is to receive Him now as your Lord and Saviour.

The Days of Noah The World That Perished

When men lived with the dinosaurs

Where did the Fossils come from?

Was there a Universal Flood?

Reasons for the Flood.

The World that Perished

Among Australian Aboriginals and many tribal peoples there was a memory of a great Flood. Secular history carries a memory, for the Babylonian ‘Gilgamesh Flood Epic’ was recorded on clay tablets about 500 BC and has some similarities to the Bible.

Rocks and Fossils

Sedimentary (mud) rock was laid out by flood water in Noah’s day, and is an average depth of 1800 meters, in which fossils are found worldwide.

During the Flood year great tectonic forces caused the collision of the various tectonic plates that pushed up the great mountain ranges such as the Himalayas, and formed the deep ocean trenches to contain the Flood waters.

In the permafrost of the Arctic are buried mammoths, bison and many remains of creatures no longer with us.

It can be demonstrated that oil comes from marine life and coal from great forests. These were buried under sediment and with subterranean heat and pressure formed these great deposits.

Mother, monkey or woman?

The Bible teaches special creation not evolution. Genetic research reveals that DNA is so intricately coded it cannot be made by random chance, but by the wise and all-knowing Creator.

One small part of DNA (mitochondrion) comes only from our mother, and originally from one single mother, as the Bible teaches, for Eve is ‘*The mother of all living*’ Genesis 3:20.

A fossil fish, buried alive while eating another, lunch cut short by the Flood.

What caused the Flood?

The Bible gives the answer in Genesis, the first Book of the Bible:

‘And God said to Noah, “The end of all flesh has come before Me, for the earth is filled with violence through them; and behold, I will destroy them with the earth. Make yourself an ark..., and cover it inside and outside with pitch”. Genesis 6:13-14.

“In the six hundredth year of Noah’s life, in the second month, the seventeenth day of the month, on that day all the fountains of the great deep were broken up, and the windows of heaven were opened. And the rain was on the earth forty days and forty nights” Genesis 7:11-12.

“All in whose nostrils was the breath of the spirit of life, all that was on the dry land, died” Genesis 7:22.

The Lord Jesus taught this as fact, *“For as in the days before the flood, they were eating and drinking, marrying and giving in marriage, until the day that Noah entered the ark, and did not know until the flood came and took them all away so also will the coming of the Son of Man be”* Matthew 24:38-39. Jesus also warned of departure from God and times of violence: *“And unless those days were shortened, no flesh would be saved”* Matthew 24:22. Then He told of His return: *“For as the lightning comes from the east and flashes to the west, so also will the coming of the Son of Man be”* Matthew 24:27. His coming is near.
